LOCATIONS

Project's name:

Please fill in the locations that the project has in Colombia. In case you do not have them defined, you may provide names, photos or reference locations.

If your project is post-production only, or has no 'shooting' please include the studios where the project will take place.

Location's name in the script:
Deparment:
City:
Address or name of the location if available:
Reference of the location if not definitive:
